

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF DELAWARE

ENZO LIFE SCIENCES, INC.

Plaintiff,

v.

HOLOGIC, INC.

Defendant.

Civil Action No.

JURY TRIAL DEMANDED

**COMPLAINT**

Plaintiff Enzo Life Sciences, Inc. (“Enzo”), for its Complaint against Defendant Hologic, Inc. (“Hologic”) hereby alleges as follows:

**PARTIES**

1. Plaintiff Enzo is a New York corporation with its principal place of business at 10 Executive Boulevard, Farmingdale, NY 11735.
2. Defendant Hologic is a Delaware corporation with its principal place of business at 35 Crosby Drive, Bedford, MA 01730.

**NATURE OF THE ACTION**

3. This is a civil action for infringement of United States Patent No. 6,992,180 (“the ‘180 Patent”) under the Patent Laws of the United States, 35 U.S.C. § 1 *et seq.*

**JURISDICTION AND VENUE**

4. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1338(a).
5. This Court has personal jurisdiction over Hologic because, among other things, Hologic has committed, aided, abetted, contributed to, and/or participated in the commission of patent infringement in this judicial district and elsewhere that led to foreseeable harm and injury

to Enzo. Moreover, Hologic is a Delaware corporation which, having availed itself of Delaware's corporate laws, is subject to personal jurisdiction in Delaware.

6. This Court also has personal jurisdiction over Hologic because, among other things, Hologic has established minimum contacts within the forum such that the exercise of jurisdiction over Hologic will not offend traditional notions of fair play and substantial justice. Moreover, Hologic has placed products that practice the claimed inventions of the '180 Patent into the stream of commerce with the reasonable expectation and/or knowledge that purchasers and users of such products were located within this District. Hologic has sold, advertised, marketed, and distributed products in this District that practice the claimed inventions of the '180 Patent.

7. Venue is proper in this district pursuant to 28 U.S.C. §§ 1391 and 1400(b).

#### **The Patent-In-Suit**

8. United States Patent No. 6,992,180, entitled "Oligo- Or Polynucleotides Comprising Phosphate-Moiety Labeled Nucleotides," was duly and legally issued by the United States Patent and Trademark Office on January 31, 2006. A copy of the '180 Patent is attached hereto as Exhibit A.

9. Enzo is the assignee of the '180 Patent and has the right to sue and recover damages for any current or past infringement of the '180 Patent.

#### **COUNT I**

##### **Infringement Of The '180 Patent**

10. Paragraphs 1 through 9 are incorporated by reference as if fully stated herein.

11. Hologic, either alone or in conjunction with others, has infringed and continues to infringe, one or more claims of the '180 Patent under 35 U.S.C. § 271, either literally and/or under the doctrine of equivalents, by making, using, offering to sell, selling and/or importing into the United States certain nucleic acid probe products, including without limitation products based upon Invader® technology, for example, and without limitation, Cervista® HPV HR, Cervista® HPV 16/18, and InPlex® CF.

12. Enzo has been and continues to be damaged by Hologic's infringement of the '180 Patent.

13. Hologic's conduct in infringing the '180 Patent renders this case exceptional within the meaning of 35 U.S.C. § 285.

**PRAYER FOR RELIEF**

WHEREFORE, Enzo respectfully requests that this Court enter judgment against Hologic as follows:

- A. That Hologic has infringed the '180 Patent;
- B. That Enzo be awarded damages adequate to compensate it for Hologic's past infringement and any continuing or future infringement up until the date such judgment is entered, including interest, costs, and disbursements as justified under 35 U.S.C. § 284 and, if necessary to adequately compensate Enzo for Hologic's infringement, an accounting;
- C. That this case be declared an exceptional case within the meaning of 35 U.S.C. § 285;
- D. A preliminary and permanent injunction preventing Hologic, and those in active concert or participation with Hologic, from directly infringing the '180 Patent;
- E. A judgment requiring that, in the event a permanent injunction preventing future acts of infringement is not granted, Enzo be awarded a compulsory ongoing licensing fee; and
- F. That Enzo be awarded such other and further relief at law or equity as this Court deems just and proper.

**DEMAND FOR JURY TRIAL**

Plaintiff Enzo hereby demands a trial by jury on all claims and issues so triable.

Dated: March 6, 2012

Respectfully submitted,

FARNAN LLP
